

## GORDON & GORDON, P.C.

HARRISON  
GORDON

MICHAEL  
GORDON

### Helping the seriously injured and protecting the environment since 1976

GORDON & GORDON REPRESENTS CASES "RIPPED FROM the headlines." The firm was a member of the tobacco litigation team that represented New Jersey in a \$7.6 billion tobacco-industry settlement. It also tackled the Pan Am 103 Lockerbie air crash and the Seton Hall dormitory fire of January 2000.

In 2007, professor Wang Canfu, who heads the Center for Legal Assistance to Pollution Victims in Beijing, invited Michael Gordon to China. Gordon was the featured speaker at a Chinese environmental lawyers' roundtable and law student seminar at the China University of Law and Politics in Beijing. Gordon led off the lawyers roundtable with his presentation titled: "Twenty Five Years of Environmental Law and Litigation Fighting for People and the Environment: A Personal Journey."

**THIRTY YEARS OF DISTINCTION** Harrison J. Gordon and Michael Gordon were named to the New Jersey Top 100 *Super Lawyers*<sup>®</sup> list for 2007, and are recipients of Martindale-Hubbell's "AV" rating, the highest possible rating for law firms, and both are members of the prestigious Million Dollar Advocates Forum. They have also both been selected for inclusion in *The Bar Register of Preeminent Lawyers*. Please visit our Web site at [lawgordon.com](http://lawgordon.com).

**NATIONALLY RECOGNIZED LITIGATORS** Founding partner Harrison J. Gordon is a nationally recognized brain injury and personal injury trial attorney and past president of the Association of Trial Lawyers of America-New Jersey. He is former chair of the Supreme Court of New Jersey, District Ethics Committee for Essex County, District V-C. He has lectured extensively in the areas of brain injury litigation, personal injury and trial tactics. Gordon was a pioneer in brain injury litigation and is a member of the board of trustees of the New Jersey Brain Injury Association as well as a noted lecturer on brain injuries. He is also co-chair of the Brain Injury Association's Anniversary Gala.

He recovered \$2.5 million for a woman who sustained a brain injury and recently settled a case for \$1.5 million for an 86-year-old brain-injured client. The case was featured in *VerdictSearch*, a national publication. Digital Press International named him one of the 10 Leaders of Personal Injury and Trial Law in Northern New Jersey for 2003 to 2004, and as one of the 10 Leaders of Civil Trial Law for 2004 to 2005.

**MAKING A DIFFERENCE** Senior partner Michael Gordon is one of the most successful plaintiffs' environmental lawyers in the United States. For more than 25 years he has been recognized for his outstanding results in environmental cases, obtaining hundreds of millions of dollars in compensation. He was first selected to *The Best Lawyers in America* in 1989.

He is the leading New Jersey environmental attorney representing citizens, municipalities and environmental groups confronted with environmental catastrophes. He currently represents the State of New Jersey as special trial counsel seeking payment for the removal of dioxin contamination from the Passaic River.

In 2007, the Work Environment Council honored his outstanding achievements. Digital Press International selected him as one of the 10 Leaders in New Jersey for Environmental Law for 2003 and 2004. He is the recipient of the Association of Trial Lawyers of America—NJ Gold Medal Award, the highest honor that is awarded to plaintiffs' trial lawyers. As an environmental consultant to *The West Wing*, his 2003 episode received the award for "Best TV Drama Promoting Environmental Awareness."

**RECORD-BREAKING RESULTS** "We believe our extraordinary success in recovering billions of dollars speaks for itself," says Harrison Gordon. "Time and again, we have taken on cases that pose significant challenges, and have done so with great success."
